Your Daily Mission & Coaching Review

1. Daily Star Rating & Hero Title

4.5 out of 5 Stars - Math Master Mind
2. What You Rocked Today

You had an awesome learning session today! You spent over an hour locked in and studying Chapter 7 Math. You also spent nearly 19 minutes setting up a study planner to keep your goals organized. That is real hero work!
3. The Distraction Trap

You got caught in the Video Trap for about 14 minutes watching a YouTube video about Japan. History facts are super interesting, but side quests like YouTube can easily pull your attention away from finishing your work early.
4. Tomorrow Mission & Boss Battle

Tomorrow Mission: Beat the Video Boss! Try to review your Chemistry and Pak Studies chapters for 20 minutes without opening YouTube. You have what it takes to get a perfect 5 star score!
