## Coach Evaluation & Reward Decision

STATUS: ELIGIBLE FOR REWARD

OVERALL\_SCORE: 88/100

WEEKLY\_HIGHLIGHTS:

- Dedicated over 50 minutes of focused effort to mastering the Grade 9 Math Chapter 4 study guide.
- Maintained a positive study-to-distraction ratio by prioritizing core educational applications over browser time.
- Earned an impressive 4.5 out of 5 Stars daily rating and achieved the title of "Math Mastermind."

AREAS\_FOR\_GROWTH:

- Spent 36 minutes on YouTube short videos; using a timer will help keep video exploration under 20 minutes.
- Finish all daily math quests completely before opening web browsers to prevent distraction traps.

VERDICT\_MESSAGE:

Awesome work, Math Mastermind! You demonstrated fantastic focus today by spending over 50 minutes crushing your math study goals, earning yourself a well-deserved reward! To keep your winning streak going tomorrow, complete your math quest fully before opening YouTube and set a 20-minute timer for your video breaks so you stay in total control of your time. Keep up the great momentum!
